Good morning,

The requested document has been reviewed and CTD concurs with the results of "no classified information found."

If you require additional information, please feel free to contact us.

Thanks

We've gone over the material and presented our conclusions to our Unit Chief. I expect we should have a answer back from my UC by your 10/7 deadline. Thanks.

Just checking up on the status of this review from your end. This is the [redacted] manuscript.

I will have my review done by Friday, 10/7/11. We'd like to have yours as well by that time, if possible.

Our ultimate goal is to have this closed by 10/13/11, so we don't go over our deadline.

Thanks for any update you can provide.

Thanks for the heads up, we'll do our best to get that back to you by the 7th. Just to make sure we don't miss any of these sort of things in the future, could I get you guys to send these to our exec staff mailing list. That way if I happen to be out someone else in the office will also see it. Thanks.

I have another prepublication case that we would like CTD to review.

This one is a referral from the CIA, and it is 288 pages, although, the e-mail from CIA indicates that most FBI information comes after page 215. So it may not be as large as it seems.

Our classification unit has just completed their review, and they found no classified information. However, we also want CTD to review just to make sure we have our bases covered.

Lastly, we are on a bit of a time crunch with this one. If we could have a response from you guys by October 7, that will be a big help, as have a deadline of Mid-October for this.

I will get it to you in Bumail today.

Thanks for any help you can provide.
